

WMAS Regional Intercounty Match – 10 October 2010

The WMAS Regional Intercounties 'season closer' was shot today at Lilleshall, despite some tricky shooting conditions due to the gusty wind, the team performed well to comfortably win both the Recurve & Compound titles, retaining the Roy Matthews trophy and winning the Compound trophy for the first time. In addition, we had some excellent individual performances, most notably from Janette Ross, Paul Jagers and Adam Ravenscroft who topped the Ladies Compound, Gents Recurve and Gents Compound events, winning the Roy Matthews Medals in the process. The final scores for both the teams and individuals are listed below, where you can see our dominance. I would also like to mention the performances and welcome Andrew Shreeves (2nd Gent Recurve) Jacob Vick (Junior) and Zoe Hawkin who were all shooting for the county for the first-time.

Whilst we can home in the '4th runners-up position' in the longbow category, I'm very pleased that we fielded a team this year and have a base to build on for the future, so thanks to Wendy and Stuart for stepping up to the mark against the very experienced teams (especially from Worcestershire).
