

County of Warwick Archery Association (CWAA) Affiliation Fees – 2026/27

All members of Archery GB (AGB) whether affiliated through a club or directly are also required to be affiliated to both the Regional Society and the County Association in which their club is located or in which a direct member resides.

This means that all AGB members in Warwickshire must pay affiliations to the County of Warwick Archery Association (CWAA), and to the West Midlands Archery Society (WMAS).

The CWAA fees should be paid as detailed below. Payment of fees to WMAS should be in accordance with the document sent to clubs by the regional secretary.

When to pay WMAS/CWAA affiliations

All archers taking out AGB membership must pay CWAA affiliations at the same time as they become a member of AGB.

Fees for archers renewing their AGB membership become payable on the date that their AGB affiliation is renewed.

All CWAA affiliations will be anniversary membership and will start and stop on the same dates as the archers AGB membership.

Club members will normally pay their affiliations to the club when they renew their club membership.

The preferred method is for clubs to collect fees on behalf of CWAA. When Clubs are making a payment for affiliations, CWAA will also need to know who the payments refer to. As members renew or new members join their details can be sent using the **CWAA Affiliations Form** (copy attached).

Direct members of AGB will need to contact CWAA direct, by emailing membership.secretary@cwaa.org.uk to say that they have made a payment into the CWAA account. Please use 'Surname CWAA' as reference, this is so that the fees do not get lost in the system.
