

# Warwickshire are now looking for archers to participate in the **2024 National County Team Championships**

at Lilleshall on Sat 28th & Sun 29th September

After the disappointment of 2023 we have secured places to enter teams (of 3 persons) into the following categories this year:

- Ladies & Gents Recurve
- Ladies & Gents Compound
- Ladies & Gents Barebow
- Ladies & Gents Longbow

- If you wish to be considered for Warwickshire Team then please submit your best 3 scores taken from 1st April 2024 to 1st September 2024 inc. via this link [NCTC score submissions](#)
- Submissions must be made no later than 1pm on Monday 2nd September 2024.
- Scores from all rounds will be considered, but preference will be given to WA 720 rounds (Double or Single), and they must have been made at either a UKRS or WRS competition.
- Selection will be made on those that meet the criteria and in submitting scores its taken that you are available for selection for the above event.

**Important** - the uptake for both [Compound Men & Women](#) and [Longbow Men & Women](#) is normally pretty poor, however we do want to give everyone in the County an opportunity to take part at this fantastic event.

If you fall into one of the [above categories](#) and plan to participate in this event please send me a email of your 'intention to take part' no later than 31st July. **NO** scores need to be submitted at this time. If we do not have enough interest to form teams of 3 per category by this date, then i will transfer the booking to form additional Recurve and Barebow teams.

Further details on the event can be found at: [Archery GB National County Teams Championships](#)

Any questions, then please don't hesitate to contact me at [team.cwaa@gmail.com](mailto:team.cwaa@gmail.com)

Peter Hughes - Warwickshire Team Manager
